MEET THE MANNER SoHo’s Hottest New Address

Nestled on a tree-lined street in SoHo, The Manner is a 97-room hotel with a discreet, refined, generous sensibility. Our name derives from our particular manner of hospitality: one that feels like staying at the home of a dear friend. From al fresco dining to sexy cocktails, our space features two standout culinary concepts—**Otter** and **Sloane’s**, both from acclaimed Chef Alex Stupak—plus an exclusive rooftop opening in mid-May.
