

## Rediscover Hyatt Regency Sydney's Rooms & Suites

Located in Sydney's CBD and overlooking Darling Harbour, Hyatt Regency Sydney is the perfect destination for the business and leisure traveller.

Undergoing an extensive refurbishment of its 888 rooms and suites, the final installment to the 5-star hotel's renovation sees the introduction of two terrace suites; the Regency Terrace Suite and Sydney Terrace Suite. Each suite is a luxury oasis boasting harbour views, intimate dining space with adjoining butler's pantry, feature bar and expansive terrace for the most enviable entertaining.

## Revamped Rooms & Suites

The new interiors draw on the hotel's harbourside location with a fresh nautically inspired palette, featuring luxe décor with rich Phillip Jeffries custom vinyl Amalfi Silk, sleek Italian-made joinery and rounded mirrors reminiscent of cabin portholes.

The refurbishment adds freshness and a new level of sophistication to the accommodation offering with a range of options available - king, twin, balcony and suites.

Hyatt Regency Sydney is officially registered as a COVID safe business.

## NEW Terrace Suites - Perfect For Entertaining

A rarity in Sydney with outdoor space overlooking Darling Harbour, perfect for entertaining, two stylish and lavish suites with adjoining terraces have been introduced to the diverse collection of accommodation options. Masterfully designed by Bates Smart, the multidisciplinary design firm has paid homage to the hotel's harbourside location, intrinsically weaving a nautical palette with materials of the highest standard, reflecting the quality of the Hyatt Regency brand. From entry, luxury slowly reveals itself to guests with the use of natural stone, rich Phillip Jeffries custom wallpapers, sleek joinery, timber veneers and European furnishings.

### Regency Terrace Suite
