Park Hyatt New York Unveils the Manhattan Suite

Representing a \$10 million investment, this exclusive suite—along with two connecting suites—

creates an expansive 3,500-square-foot retreat. Featuring three bedrooms, three bathrooms, two powder rooms, and two balconies, it accommodates up to 10 guests in refined luxury. Thoughtfully designed with sophisticated furnishings and sweeping 180-degree views of Manhattan's skyline, the Manhattan Suite offers an unparalleled residential experience.

Meet Chef Quentin Garcia Thompson Palm Springs

"It's a privilege to take Thompson Hotels' guests on my culinary journey—from my start as an

11-year-old, to training in Denmark, and now returning home to launch Thompson Palm Springs," says Chef Quentin Garcia, a French-trained, Mediterranean-inspired California native and Executive Chef of Lola Rose Grand Mezza. "Everything I've learned—from fostering a strong kitchen culture to finding inspiration in my surroundings—comes to life in our menu and dining experiences."

Hot tip from the HSF

Looking for standout 2025 group rates? Competitive offers are available across all brands and destinations. Many properties are adjusting pricing and need dates, creating valuable opportunities for group bookings. And now, finding S&E group promotions is even easier—look for the blue price tag icon on our [website](#) for details.

With Los Angeles In Our Hearts

As wildfires continue to impact the Los Angeles area, our hearts are with those affected—especially our Hyatt colleagues and the communities we serve. In support, we have made a donation on your behalf to [California's Wildfire Recovery Fund](#). Our thoughts remain with all those impacted.
