

SUSTAINABILITY FACT SHEET –

HYATT REGENCY CHESAPEAKE BAY GOLF RESORT SPA & MARINA

Caring for the planet is a natural extension of Hyatt's purpose – to care for people so they can be their best. At [Hyatt Regency Chesapeake Bay Golf Resort Spa & Marina](#), we are dedicated to sustainability and are committed to making a difference through our daily processes. To learn more about Hyatt's sustainability efforts through [Together by Hyatt](#), click [here](#).

OVERVIEW

- Green spaces throughout the resort
- We offer electric charging stations for guests
- Seafood is sustainably purchased from responsible sources
- Use of local vendors including minority and women owned businesses

CARBON EMISSIONS AND WATER

- Lights are turned on in meeting rooms only when needed.
- Our daily operational reports are used to effectively schedule heating and cooling needs.
- Our Golf Course is watered using recycled water through a reclaiming system.
- We do not allow balloon releases of any kind.
- Processes are in place to evaluate and purchase more responsible products.

WASTE AND CIRCULARITY

- Plastic straws are not used. Rather, straws made of paper are offered upon request.
- Water served using carafes is the default offering for meetings and events.
- If you would like to avoid disposable water bottles, hydration stations are available throughout the resort
- Mobile Entry is available through the World of Hyatt app to eliminate the number of plastic keycards handed out
- Supporting digital signage and offering Hyatt Apps to help enable a paperless meeting
- Offering reports through the Planner Portal, reducing the need to print
- Processes are in place across the hotel to improve waste reduction and diversion.
- Cotton buds (Q-tips) have paper, cardboard, or wood stems rather than plastic stems.

OUR FOOD PHILOSOPHY

Hyatt's Food. Thoughtfully Sourced. Carefully Served. philosophy guides us in how we select ingredients that are better for people, communities, and the planet.

- Cage-free eggs are utilized in our restaurants
- Seafood is sustainably purchased from responsible sources
- Some of our produce is organic and purchased locally
- Beef is all-natural and grass-fed
- Plant based & plant forward menu items are offered in our restaurants and for events

ADDITIONAL SUSTAINABILITY OPPORTUNITIES FOR MEETINGS AND EVENTS AT HYATT REGENCY CHESAPEAKE BAY GOLF RESORT, SPA & MARINA

We aspire to make it easy for our guests to incorporate more sustainable practices during their meetings and events. Our hotel events team is ready to discuss how we can support or provide guidance for the options below:

- Using refillable solutions for water rather than single use bottled water. Additional self-service water or infused water stations are available options.
- Supporting digital signage and offering Hyatt Apps to help enable a paperless meeting.
- Offering notepads and pens at a central location rather than at every seat.
- Opting for alternatives to plastic juice bottles and/or yogurt cups.
- Using bulk food items (such as sweeteners, condiments, etc.) to reduce single-use packaging.
- Suggesting lower-impact options for centerpieces and décor, such as potted plants rather than flower arrangements, using digital backdrops instead of physical items, and alternatives to avoid single-use decorations like balloons.
- Offering meeting reports through the Planner Portal, reducing the need to print.
- Coordinating the temperature of event spaces to reduce energy use while supporting attendees' comfort.
- Providing event-specific environmental footprint information aligned with the Hotel Carbon Measurement Initiative (HCMI) and the Hotel Water Measurement Initiative (HWMI) methodology.
- Discussing the best ways to reduce food waste, such as ensuring updated headcounts for each meal, opting for plated meals over buffets, selecting the Menu of the Day when buffets make the most sense, leveraging the hotel restaurant for smaller groups, and eliminating overage guarantees in contract language.
- Brewing limited amounts of coffee in order to cut down on waste.
- Designing plant-based (vegan or vegetarian) meals or switching some portion of the meal to be plant-based, in order to meet attendees' dietary considerations, sustainability priorities, and culinary preferences.
- Organizing a volunteer/community giveback event with an ecological focus, such as tree planting or beach clean-up, if feasible.
- Discussing options to replace physical giveaways with experiences, donations, or carbon offsets.
- Discussing options for donating excess edible food or used décor/center pieces from the event to a local charity.
- Advising on a process for collecting lanyards at the end of the meeting, for reuse in the future.
- Coordinating carpools to and from the airport for attendees, and/or sharing public transportation information on the Know Before You Go.
